

HOPE UNDIMMED

SURPRISING ANSWERS TO THE MOST DIFFICULT QUESTIONS

INTRODUCTION

Hope Undimmed stands a light in the midst of a sometimes dark and confusing culture, providing an authentic look at the truths underlying God's plan for human relationships. As a result of participating in the That Man is You! men's ministry, countless men reported, "I wish I had known that when I was younger!" Hope Undimmed was created for this reason, specifically to engage older high school youth and college-aged young adults.

THE PROGRAM

Hope Undimmed is a seven session series. Sessions can be done weekly or monthly. Each session lasts about two to two and a half hours and consists of three segments: fellowship, content presentation, small group discussion. Program components include the 7 Session DVDs (one session per disk) and the Leader's Guide.

The content is presented documentary style, utilizing a host, a live panel of subject matter experts and a live college audience. Information is offered and the small group process allows the participants to discuss it, wrestle with it, and ultimately decide what they believe about it. This highly effective approach yields results.

RESULTS

Participants in Hope Undimmed report the following:

- 7 out of 10 had their faith confirmed.
- 6 out of 10 were moved to further evaluate their thoughts and actions.
- 16% experienced profound conversion.
- 90% experienced at least one of the above.
- 100% - every participant – recommends it to others.

Hope Undimmed is highly effective as a stand-alone program or as an engagement tool, funneling participants into follow-up programming.

Consider: If you knew you could help confirm the faith of 7 out of 10 participants, would you?
