The Pathway to Superabundance

"Today, there are those who say that marriage is out of fashion...I ask you...to be revolutionaries...to rebel against this culture that sees everything as temporary and that ultimately believes...you are incapable of true love."

-Pope Francis, World Youth Day, meeting with volunteers, July 28, 2013.

The steps outlined in 7 Steps to a Superabundant Marriage opens a vision to the couple that stretches from this world to the next. God is profoundly present in marriage and family life. An encounter with him leads to a life of true superabundance.

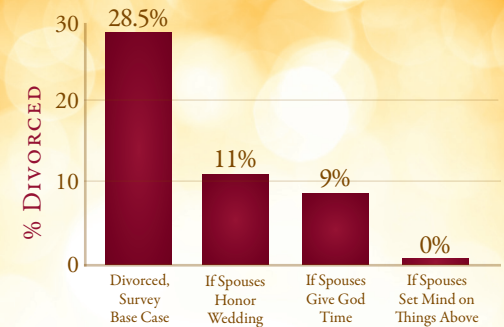

Hidden behind these steps is the mystery of the Holy Family. The seven steps simply enunciate in modern terms the life that the Holy Family lived inside the home at Nazareth. These steps not only help to bring us peace and happiness on earth, but also help to prepare us for eternal life in heaven.
